### CREATING YOUR OWN DICTIONARY ENTRY

By completing the following directions, you will create your own dictionary entry, which should help you to gain a better understanding of the parts that make up each entry. You will need to have each of the following in your entry.

1. Entry Word (this can be a word that you make up) – this must also show how your word is broken up into syllables
2. Pronunciation
3. Part of Speech
4. Definition (at least one)
5. Example sentence using your entry word
6. Etymology
7. Synonym
8. Antonym

Making sure to include each of these parts, you will write your dictionary entry in the box provided.
